

Curiosity Welcomed

Le Méridien Family Kids Hub keeps our youngest guests entertained during their stay, with exciting games, cultural craft-making, educational activities and beach fun with a Maldivian twist. The Kids Club is a fun space where children from 4 to 12 years old have a great time playing and participating in several activities. The activities are split into four pillars: BE ACTIVE, STAY CURIOUS, GO EXPLORE, and JUST RELAX. The space is designed for modern children, whose parents are from generation X & Y.

FUN HOURS

09:00 – 18:00

AGE GROUPS

Le Méridien Family Kids Hub caters to young guests with dedicated program for ages 4-12.

Young guests under 4 years old are welcome to use the facilities when accompanied by a guardian or a babysitter.

A babysitting service is available at Le Méridien Family Kids Hub

ADULTS OFF LIMITS AT KIDS CLUB

Adults who are not park team members may not stay inside Le Méridien Family Kids Hub unless accompanying guests aged under 3.99 due to limited space in the park and to ensure the health and safety of the young guests who have been entrusted into our care.

TODDLERS

Le Méridien Family Kids Hub offers toddler groups for families with children aged 0-3.99 years old to attend activities with their little ones.

Group activities are hosted by one of the certified childcare team members. Our young guests can take part in short, fun activities and have the opportunity to make friends and mingle with other young guests of their own age.

Chargeable and only limited spaces available. One-day advance booking essential.

Baby Sitting Charge

USD \$20 per hour

Duty Meal Policy:

Meals for babysitters shall be provided during lunch or dinner, or the babysitter may be released for a 1-hour lunch or dinner break.

Mini Marine Master's Programme

Thilamaafushi Marine Master's is a specially designed programme that inspires children, tweens, teens and even adults to connect with the environment around them in the hope of future preservation.

The immersive programme is available in bite-size modules or a full curriculum that is scalable from young children to teens to adults. Spearheaded by the resort's marine biologist, topics include atoll topography, coral identification and health monitoring, turtle identification and even ray or shark identification.

The Marine Masters certification is earned by completing four of the five modules:

- Seagrass Hopper
- Mangrove 101
- Reef Explorer
- Turtle Quest
- Ray Bay
